

STATE OF LIBYA

ZALLAF LIBYA COMPANY

EXPLORATION & PRODUCTION OIL & GAS

ZALLAF SOCIAL RESPONSIBILITY (SR) STANDARDS

Statement:

Zallaf Business Leadership and Function Heads must adhere to these Standards.

Our Seven (7) Social Responsibility (SR) STANDARDS:

- Always control or/and illuminate any potential Social Responsibility (SR) Risks/Impacts pertinent to Zallaf's Business/Operations/Projects;
- Always resource Zallaf's SR staff to carry out their SR duties efficiently;
- Always report Zallaf's SR/CSR activities and any data to Zallaf's leadership, the NOC (HSE/SD Departments) and to any Libyan regulatory bodies;
- Always assess SR Risks "Impact Assessment covering social aspects" and manage them during operations & projects' lifecycle;
- Always consider Zallaf's operations social impacts on communities/stakeholders in Zallaf's business decisions;
- Always ensure continuous and respectful engagement with communities/stakeholders throughout Zallaf business & project lifecycles;
- Always minimize operational negative impacts and maximize positive impacts sustainably.

General Disclaimer:

These Standards only applicable to Zallaf Libya Oil & Gas Company
