

ZALLAF LIBYA EXPLORATION AND PRODUCTION OIL AND GAS COMPANY

PRE-QUALIFICATION INVITATION FOR PROVISION OF PERFORATION SERVICES AT ERAWIN FIELD (NC200)

1. Introduction and Summary

Zallaf Libya Exploration & Production of Oil & Gas Company, hereinafter referred to as ("ZALLAF") Operator of Erawin Field block NC-200 located in Murzuq basin, is conducting a pre-qualification process for selecting contractor(s) for its perforation services for its current completion and workover program in the onshore NC200 block located in Murzuq basin, South West Libya. There will be potentially six wells to be re-perforated based on the full evaluation of the petrophysical interpretation analysis. The Contractor shall provide appropriate specialist personnel, equipment & services to undertake the Work as instructed by the Zallaf.

Location:

Onshore Erawin Field (NC200) block located in Libyan Murzuq Basin, about 800 km southwest of Tripoli.

2. Technical Data Section

Well information:

- **Casing size:** 9-5/8"
- **Casing ID:** 8.755 in
- **Weight :** 43.5 lb/ft
- **TD:** 3500 to 4500 ft MD.

3. Basic Qualifications

All Perforation services Contractors dully registered in Libya are invited to participate in this prequalification process by submitting the information requested hereinafter no later than four weeks (28) days from the date of this publication. Upon approval of Zallaf governance bodies, it is planned to issue an Invitation to Tender in four weeks 2018.

Potential Contractor must have or be able to provide the following:

1. A full range of perforating services, provided with a list and brief description of operational tools available in Libya, their specifications, capabilities, operational ranges, and limitations in terms of hole size, and depth limitations.
2. Information related processing and interpretation services.
3. Curriculum Vitae of staff assigned for this work.
4. Company experience in Libya.

4. Prequalification Requirements

Zallaf_ invites all interested local and international perforation services Contractors dully registered in Libya, in addition to the information requested above, to submit the complete prequalification document package, for registration and evaluation, as described here below.

4.1- Contractor profile with full details of similar Contracts performed with reference list of Clients giving names and addresses, as well as performed work description, location, start and completion dates, and value of Contracts.

- Contractor shall have minimum three years of experience related to the scope of Work for this Tender.
- Contractor shall have advance knowledge of local and international environmental regulations to perform the work activities.
- Contractor shall provide Curriculum Vitae of staff assigned for this work.

4.2- Contractor financial and legal information, services scope, and organization chart

- Audited Finical Statement for the last (3) three years
- Copy of valid Contractor Commercial Registration in Libya
- Copy of valid Contractor Business License
- Copy of valid Contractor Registration at the Libyan Chamber of Commerce
- Copy of valid Contractor Tax Certificate
- Contractor Services Catalogue
- Contractor Organization Chart

4.3- Demonstrate Health, Safety, Security and Environment (HSSE) commitment

- Contractor HSSE Policy
- HSSE statistics for the last (3) years
- Health, Safety, Security and Environment Management System(s)

4.4- Contractors interested in this prequalification request must satisfy the requirements stated above and submit the required information.

5. The Prequalification Request is not an Invitation to Tender

5.1- Only eligible Contractors that meet the prequalification criteria, which shall be determined by Zallaf sole discretion, will be included in the bidders list.

5.2- This prequalification request implies neither commitment nor obligation, implied or otherwise, for Zallaf to issue a tender or enter into a contract.

5.3- Zallaf will not be held responsible for any cost incurred for preparation and submission presented in response to this prequalification request.

5.4- Zallaf has the right, at its entire discretion and judgment, to exclude any file that does not abide by above stipulated requirements.

5.5- It is understood by the Contractor that Zallaf is not committed to respond to each Contractor regarding its position with the pre-qualification submission, responses shall only be made to those who are considered qualified and who will take part in future tenders.

5.6- Any provision of any false of documents, information by the Contractor may lead to disqualification at Zallaf's sole discretion, at any stage of the relationship between Zallaf and the Contractor (i.e. pre-qualification stage, tender, negotiation or even after signing a contract).

5.7- Interested Contractors shall submit their responses including the details and references stated above, preferably via the online application <https://zallaf.com/tenders/> or, by e-mail to Tender@Zallaf.com not later than four weeks (28) days from the date of this publication. The file or e-mail shall be titled with "Provision of Perforation Services - Block NC200 – 2018 Pre-Qualification Invitation".

The prequalification documents shall indicate clearly the name of the Contractor, address, phone number, person to contact, an email address, and state interest to pre-qualify as a potential bidder.

6- Important Notes

6.1- This Prequalification Request is not an Invitation to Tender.

6.2- The Invitation to Tender will only be issued to Contractors that have been prequalified.

6.3- Zallaf will exclusively do business with the actual Contractors performing the requested Perforation services and not through interposed agents whatsoever.
